Statement

Rushmore Loan Management Services PO Box 514707 Los Angeles, CA 90051 w.rushmorelm.com (888) 504-6700

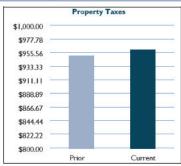

Statement Date: Loan Number:

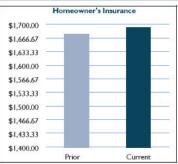

November 18, 2021

KEVIN E BUTLER 5640 HADDINGTON ST PHILADELPHIA PA 19131-0000 Need help understanding your mortgage escrow statement Scan here or visit rushmorelm.com

We review your escrow account annually to ensure that you have adequate funds to cover your tax and insurance items for the next 12 months. The amounts billed for certain escrow items changed. This statement describes the changes, possible changes to your monthly payments, and your options.

### What changed?

Taxes increased by \$9.61 per year.

Insurance increased by \$16.85 per year.

Changes in the above items mean that the amount needed in your escrow account increased by \$26.46 per year.

## How do these changes affect me?

Based upon the Anticipated Escrow Disbursements and Payments, we have determined that your Escrow Account does not have sufficient funds. If you do nothing, the new monthly payment amount for this loan is \$469.39 (Option I) which includes a monthly shortage amount of \$3.31. However, you may choose to make a one-time escrow shortage payment of \$39.70 in which case your monthly payment amount will be \$466.08 (Option 2). Changes to property taxes and insurance premiums are common and result in changes to required mortgage payments.

	Current Payment	Escrow Change	Option I - Shortage added to payment over next I 2 months	Option 2-Shortage paid in full
Due Date	01/2022		02/2022	02/2022
Principal and Interest	\$244.95		\$244.95	\$244.95
<b>Escrow Payment</b>	\$238.17	-\$13.73	\$221.13	\$221.13
<b>Escrow Shortage</b>			\$3.31	
TOTAL	\$483.12		\$469.39	\$466.08

A detailed explanation of the calculations for your escrow account is located on page 2.

Note: Online bill payment users: Your payment is changing effective 02/01/2022 so action is required. Please log into your bank's online account and update your payment amount. Thank you!

You have the following options to repay your Escrow Shortage:

A.Repay the Escrow Shortage Monthly— Do nothing. The total shortage has been divided over 12 months and \$3.31 will automatically be added to your monthly payment beginning Feb 01, 2022 unless you repay the escrow shortage in full.

B.Repay the Escrow Shortage in Full by 01/17/22— While you are not required by law to pay the entire shortage in one lump sum payment, you may do so if you wish. If you choose to repay the escrow shortage in full, please submit a check in the amount of \$39.70 along with this coupon to the address listed. Your new monthly payment will be \$466.08 once the escrow shortage is paid in full.

#### How did Rushmore make the escrow calculations?

Step 1: Rushmore analyzes all items paid by the escrow account, we then calculate the amount that you'll likely need to pay these

Step 2: We take your anticipated taxes and/or insurance premiums to determine the total outgoing payments. We then divide the total outgoing payments by 12 to determine your monthly escrow amount.

Your total anticipated tax and/or insurance premium(s) are as follows:

**Annual Property Taxes** \$1,693.36 Annual Property Insurance

\$2,653.62 divided by 12 months = \$221.13

Step 3: We calculate the minimum required escrow balance. Your escrow account must have a minimum balance of \$0.00 for the next year.

Step 4: We calculate your annual escrow account projection for the coming year. If your monthly escrow balance falls below the minimum balance of \$0.00, your escrow account experiences a shortage. If our calculation determines that your monthly escrow balance will not reach the minimum balance, your escrow account will have an overage.

The table below demonstrates the estimated activity in your escrow account for the coming year.

#### What escrow activity is expected in the coming year?

The highlighted row indicates the lowest estimated escrow balance for the year of -\$878.70. The difference between the lowest projected balance of -\$878.70 and the minimum required escrow balance of \$0.00 is \$39.70.

#### \$39.70 is your escrow shortage.

NOTE: If this escrow analysis indicates that there is a surplus, it may not mean that you are entitled to receive a return of that surplus. This analysis was calculated based on an assumption that the account is current according to the terms of the note and Mortgage/Deed of Trust. If the account is behind, in default, or in bankruptcy, this analysis may not reflect the current state of the account or the terms of a bankruptcy plan. If there are enough funds in the escrow account the surplus will be mailed to you within 30 days, provided the account is current under the terms of the note and Mortgage/Deed of Trust.

E-Indicates the activity has not yet occurred but is estimated to occur as shown.

\*if there is an amount listed in the "Actual" column under Payments To Escrow Account on Page 2 above, then this is the assumption that was made and indicates the amount that would have been paid into escrow for a contractually current loan. This number does not represent payments that were actually made by you. As discussed above, these escrow calculations are calculated based on an assumption that the account would be current according to the terms of the note and mortgage/deed of trust.
